

Welcome RoseMary Lowenstein

Apt.# 445

I was born in Quito, Ecuador and came to the United States in 1946 when I was three years old. I was raised in the Washington Heights section of New York City and attended the High School of Music & Art. I have a Bachelor degree from the Rhode Island School of Design (RISD) and a Masters in art education. I spent many years as an art educator and then a student counselor at various schools in Rhode Island. My late husband, Marc Lowenstein, was a solar architect and builder who also graduated from RISD.

I am so delighted to be joining the Laurelmead community after 54 years as a resident of Barrington, RI where Marc and I raised our three children.

I love nature, all kinds of music, live concerts, live theatre, and films. I am an active member of the Lifelong Learning Collaborative (LLC).
