LAURELMEAD DIRECT-DIAL STAFF NUMBERS

Good news! You can dial many Laurelmead staff members directly. This means you no longer have to contact the Front Desk to call most of the employees you're trying to reach.

The Front Desk will still be able to connect your calls, but direct-dial numbers are often more convenient.

NOTE: The resident population has been changing on a regular basis. If you want the phone number of a new resident who is not yet in the phone directory, contact the Front Desk and they will be happy to help you.
