

Welcome Marge Michalski

Apt.# 220

Margaret (Marge) Michalski is moving to Providence from Deerfield, MA. She and her late husband moved there after retirement to be closer to family and lived for the last twelve years. She was born and raised on the south side of Chicago (still an avid White Sox fan) and lived in or near there for most of her life raising three children in Oak Park, IL

Marge worked for United Airlines as a computer systems engineer for nearly fifteen years. After retiring she devoted her time to gardening and volunteer work in the local community. After moving to rural Massachusetts, she continued to seek volunteer opportunities and became one of the founding members of the Franklin County MA chapter of the League of Women Voters.

Marge likes to walk, read, knit, bake and do just about anything with her grandchildren. Gardening has been reduced to house plants since joint replacement has made it difficult to get down on the ground.

She is looking forward to living in Providence with all that it has to offer. She's ready to join the Laurelmead community!
